Special News Corner:

April 24th Master-Class with Kevin Fitzgerald is at 12-3 NOT 10-1. This is a schedule change.

Application deadline for Classical Festival has been extended to FRIDAY, NOVEMBER 13th! Enter online at mtacwla.org – calling all Mozarts and Kuhlaus!

LIVING COMPOSERS FIESTA (our new event on January 24th):

Everything that is current and exciting: multimedia, improvisation, experimentation, jazz, film music, rap, covers, dance and art. Music can be inspired by classical, pop, rock, or any fusion. Any instrumental, vocal, multi-track recording or a cover. Fusion of different art forms such as: dance + music, theater + music, poetry + music, hip-hop and rap, or visual presentation.

Now is the time to brainstorm and offer it to students who improvise, compose, experiment, play for fun with their friends, etc.
